PRELIMINARY AMENDMENT

Enclosed please find a substitute specification for the above-referenced patent application and a marked up version to show the changes made. The substitute specification includes a new claim set.

The material added to the specification was from documents which had previously been incorporated by reference. Specifically, the material is from US 6242063 and US 6284333 both of which are incorporated by reference on page 2 of the specification. No new matter has been added.

If a formal cancellation of original claims 1-16 is required, Applicants hereby authorize such action to be taken. Applicants intend to prosecute the new claim set including claims 1-36.
